Filament - Class A

TECHNICAL DATA
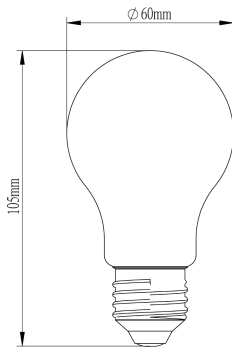

Class-A bulb for savings, energy conservation, and waste reduction. With up to 50,000 hours of lifespan, our bulbs offer long-lasting illumination and a 40% reduction in energy consumption. By choosing our energy-efficient bulbs, you'll save money on energy bills and contribute to lower carbon emissions.

⌀ 60mm

105mm

Bulb type	A60
Bulb Color	Clear/Frosted
Cap fitting	E27
Colour rendering index (CRI)	80
Colour temperature	2700K/3000K/4000K
Energy rating	A
Equivalent wattage	40W
kWh per 1000hr life	2.2kWh
Light technology	LED filament
Function	No-dim
Lumens	470lm
Power output	2.2W
Product diameter	60mm
Product length	105mm
Voltage	220-240V
