Inside Soft Milky Outside Clear**

**No Graininess  
Lighting Effect**

A large, golden firework exploding in a starburst pattern against a black night sky. The firework consists of numerous thin, radiating lines of light that form a dense, fan-like shape. The central point of the explosion is bright and glowing, with a slight lens flare effect. The overall appearance is that of a classic 'willow' or 'starburst' firework.

Firework

# Firework – Ceiling Lamp

# Parameter

Size: L640\*W50\*H250mm

Light Source: LED Filament

Material: Iron Plate, D15mm PC Tube

Dim: Yes

Finish: Chrome

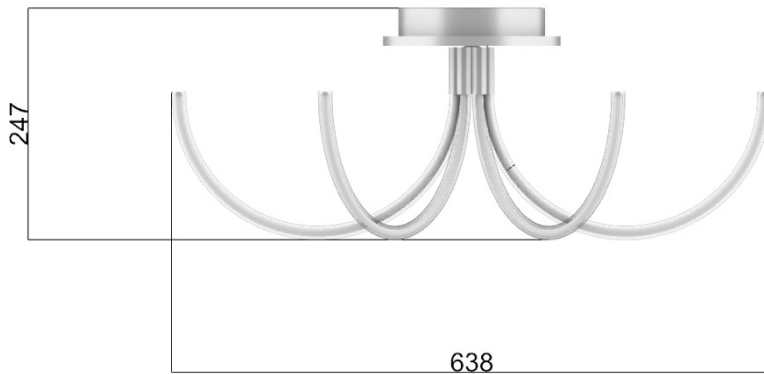

Brightness: 2400LM

CCT: 3000K

ERP Level: Class C

Lifetime: 25000H

CRI: 80

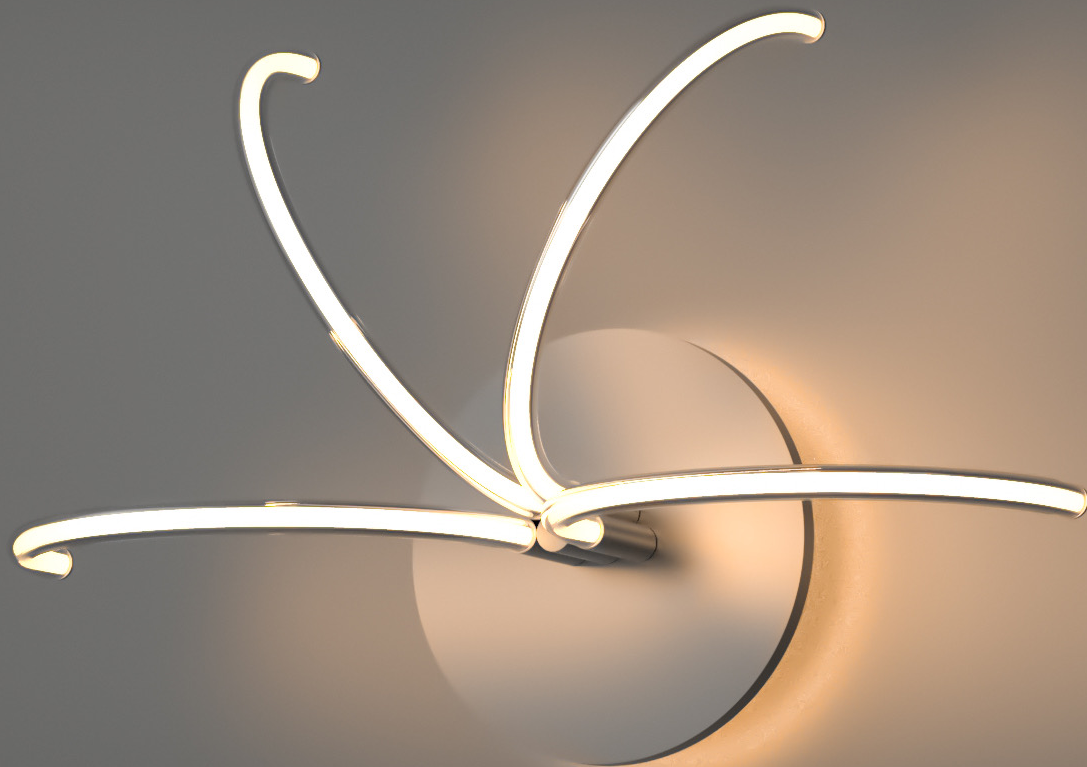

HANGKE

# Firework – Wall Lamp

# Parameter

Size: L500\*W125\*H310mm

Light Source: LED Filament

Material: Iron Plate, D15mm PC Tube

Dim: Yes

Finish: Chrome

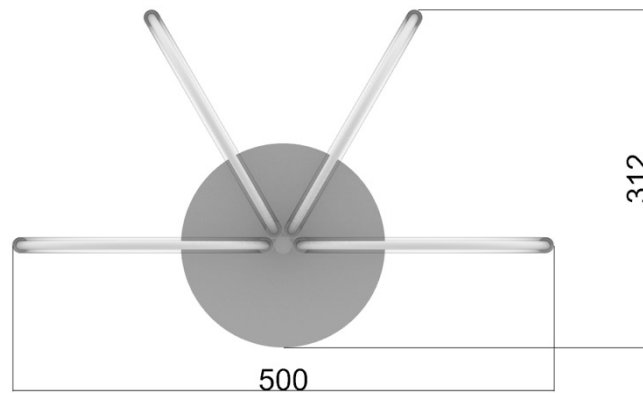

Brightness: 800LM

CCT: 3000K

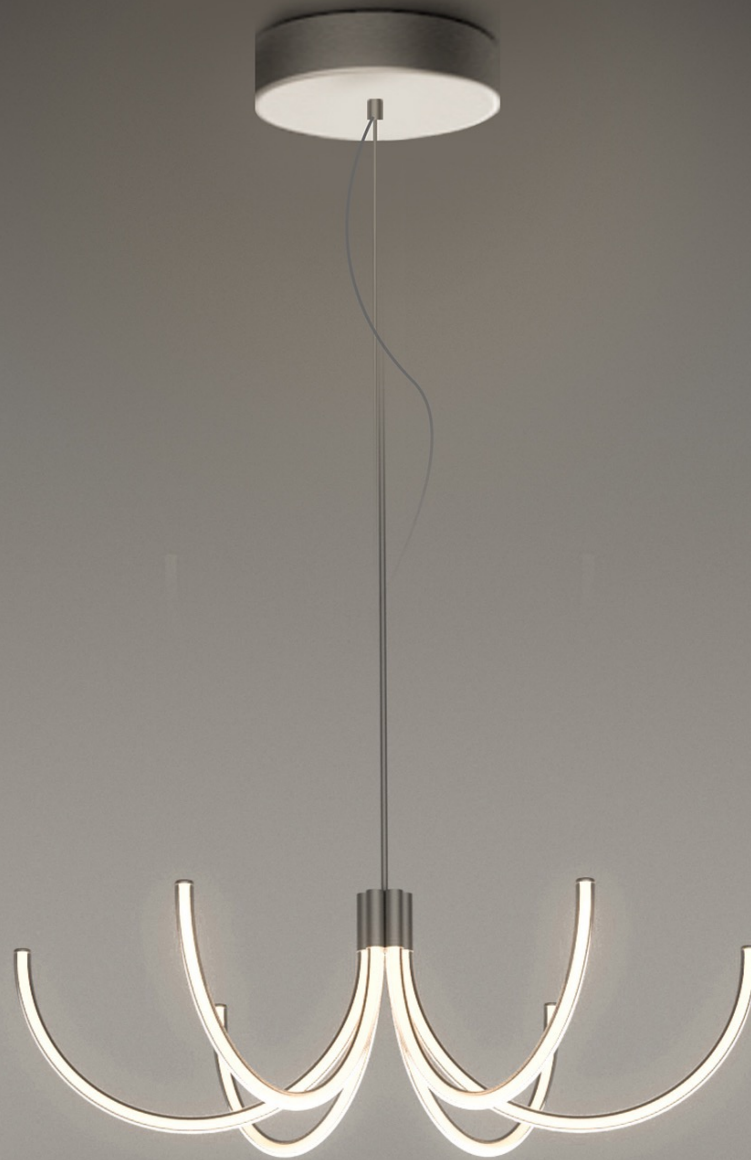

ERP Level: Class C

Lifetime: 25000H

CRI: 80

# Firework – Pendant A

# Parameter

Size: D640\*H200-1500mm

Light Source: LED Filament

Material: Iron Plate, D15mm PC Tube, PC Connectors

Dim: Yes

Adjustable Height: Yes, Manual, Fix Height While Installing

Finish: Chrome

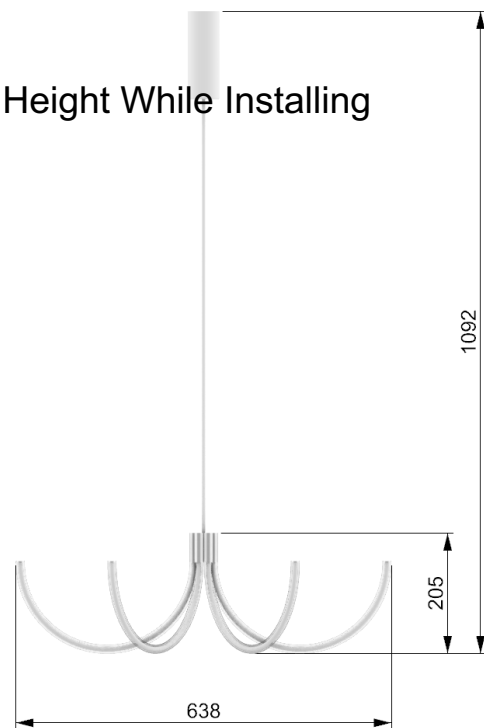

Brightness: 2400LM

CCT: 3000K

ERP Level: Class C

Lifetime: 25000H

CRI: 80

# Firework – Pendant B

# Parameter

Size: D640\*H480-1500mm

Light Source: LED Filament

Material: Iron Plate, D15mm PC Tube, PC Connectors

Dim: Yes

Adjustable Height: Yes, Manual, Fix Height While Installing

Finish: Chrome

Brightness: 3600LM

CCT: 3000K

ERP Level: Class C
