

New Generation G4/G9 Bulb

New Generation G4/G9 Bulb

Energy Class D
(G9 Bulb)

Our sleek G4 and G9 LED bulbs, blend modern design with efficiency. Features include:

1. Seamless Design: Contemporary and elegant, these bulbs enhance interior aesthetics.
2. Frosted Glass: The frosted glass shell diffuses light evenly while concealing internal components for a polished look.
3. Efficient Brightness: Our G9 bulbs achieve up to 800 lumens, perfect for various types of lamps lighting needs.

G9 BULB New Design
