

Mageneto

Magnetic Deco Bulb uses HANGKE self-invented magnetic structure, and the filament can be suspended in the bulb without a stem. The shockproof borosilicate glass bulb is nonbreakable and more durable compared to ordinary bulbs.

Magnetic Deco Bulb creates gorgeous and unique decorations for your home, office, party, restaurant, and hotel with a special visual effect, which is a perfect gift for family, friends, and parties.

TECHNICAL DATA

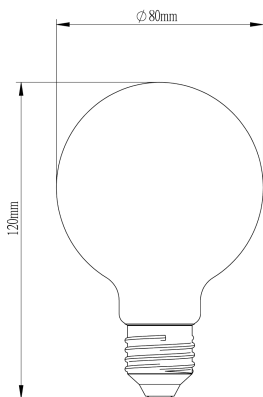

Bulb type	A60
Bulb Color	Clear/Amber/Smoky
Cap fitting	E27
Colour rendering index (CRI)	80
Colour temperature	2700K/2200K/1800K
Energy rating	G/G/Exemption
Equivalent wattage	N/A
kWh per 1000hr life	1.8kWh
Light technology	LED filament
Function	No-dim
Lumens	100lm/80lm/40lm
Power output	1.8W
Product diameter	60mm
Product length	105mm
Voltage	220-240V
